### WARRANTY CONDITIONS

Icetech guarantees for a period of 24 months after your purchase the proper operation and quality of the product owned by you.

The warranty does not include any particular stipulation that our distributor may have assumed with you, resulting from the purchase of your new machine.

For the application of the guarantee it is required that the machine operates under the conditions specified by the manufacturer. In areas with excessively hard or soft water, those with a hardness index lower than 15°F or higher than 40°F, it is necessary to install suitable filters to protect the machines. The guarantee will be void if the protection filters are not installed.

### WHAT THE WARRANTY COVERS

The Icetech warranty includes the right of free replacement of any component of the product purchased by you that has any assembly or manufacturing defect, or malfunction, provided this is due to a manufacturing fault.

### WHAT THE WARRANTY DOES NOT COVER

Icetech as a manufacturer cannot be responsible for certain aspects outside of manufacturing, so there are certain faults caused by its use that are not covered by our warranty.

The User Manual that accompanies the machine details all the recommendations for its installation, use and maintenance. Please follow the instructions. Any flaw, failure or damage caused by poor installation or improper use is excluded from our warranty.

In case of any doubt, please refer to the manual on our website [www.icetechice.com](http://www.icetechice.com)
